**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a Sonic customer for more than a year now, I have enjoyed their DSL service and look forward to getting the faster fiber optic service in the future. Being an older person with a hand tremor, broadband enables me to pay bills online and communicate in many ways with others that I cannot do in handwriting. Prices are competitive with the two other options I have for broadband in this semi-rural area, and keeping expenses low is important on a fixed income. Please support policies that keep competition lively.
